## ACKNOWLEDGEMENTS

Thank you to the music educators and music education advocates who have worked very hard to support music education throughout our region during the last several months! Among the most important on a long list of "things to do" has been to find ways to encourage and assist students no matter what obstacles have been encountered. In true music teacher fashion, you have done amazing things under wildly unimaginable circumstances. Thank you for continuing to be great role models for students to follow.

Thank you to my colleagues on the SLSMEA Executive Board. The thoughtful, compassionate, student-centered dialogue we've shared along with the planning and implementation of this year's audition and selection process has been as meaningful, rewarding and effective as any previous year that I have been a part of the Board. Well done!

Additional appreciation is extended to those who assisted throughout the process: Brad Balog, Zeb Briskovich, Rick Haydon, Aaron Lehde, Laura Livesay, Mark Maher, Ben Reece, Chelsea Silvermintz, Brett Stamps, Andy Tichenor, Miles Vandiver, James Waechter and Anna White.
